

- **Very high yields**
- **Excellent standing ability**
- **Large seed size**
- **Good colour**
- **Suitable for export**

Boxer is a high yielding new spring bean variety. It outperforms the market leader Fuego by 4%.

Boxer has the agronomic characters growers are looking for with similar maturity and straw length to Fuego ,excellent standing ability and good downy mildew resistance.

Boxer has a pale hilum. With excellent seed colour and size, Boxer will be attractive for the export market.
