SEEDING
THE FUTURE
SINCE 1856

The essential end user wheat

- Excellent grain quality, perfect for distilling and potential biscuit making
- Useful mildew (8) for the north and yellow rust (9) for the East
- High input high output wheat

KWS Brium is an attractive potential Group 3 winter wheat for many end users. With its great quality grain, high input and high output status KWS Brium has good potential for both distillers and professional biscuit producers.

With good high yielding performance in the UK, KWS Brium may be the perfect choice for your farm, especially in the north and south.
